Next steps

1. **Turn in your Kid Librarian application** at either of the Wadsworth Library service desks. Applications will be reviewed in the order they are received. We will email your grown up when an opening is available.
2. **Miss Sarah will contact your grown-up** to set up a brief (approx. 30 minute) meeting with you at the library. At that meeting you will:
    - Find and display the books and/or book series you want to recommend to others
    - Make a simple sign
    - Add an eye catching element
    - Take a photo
3. **Recording policy**: Your photo and a list of your book recommendations will be posted in-house and shared on the Wadsworth Library Facebook page. Your parent/guardian will need to sign the attached page. You may opt out of having your photo taken or ask that the photo does not include your face.
4. **The books you selected will be on display at the library for one week,** unless they are checked out by another reader!
5. **If you have questions** while you're waiting for your application to be reviewed please email assistant director and children's librarian Sarah Matthews at smatthews@owwl.org

Thank you for applying to be our next Kid Librarian!
